

Guardian Calling

Residents can register for automated “check-in” calls to confirm to their loved ones, or guardians that they are Okay.

The system makes calls on predefined days and times to check on the enrolled residents.

If the recipient does not answer or press the proper pin code, the system automatically notifies two pre-designated guardians.

This service is provided at no cost to Pebble Beach residents.

If you wish to register for this service, please fill in the information requested on the attached section, clip and mail to:
